TERMS OF SERVICE

Last Updated: May 2026

Welcome to Enviro. These Terms of Service govern your use of the Enviro mobile application, web dashboard, and associated IoT hardware devices (collectively, the "Service"). By creating an account, pairing an Enviro device, or using the Service, you agree to be bound by these Terms.

1. Description of Service

Enviro provides a smart urban farming ecosystem that integrates Internet of Things (IoT) edge nodes, automated irrigation logic, and Artificial Intelligence (AI) diagnostics to assist with plant care, soil management, and agricultural e-commerce.

2. AI Diagnostics and Limitation of Liability

Advisory Use Only: The AI Disease Scanner and Soil Lab features utilize machine learning to analyze user-uploaded images and inputs. The diagnoses and treatment recommendations provided are advisory. Enviro does not guarantee 100% accuracy and is not liable for any plant death, crop failure, or agricultural loss resulting from the use of our recommendations.

3. Hardware Installation and Maintenance

Users are responsible for safely installing the Enviro ESP32 edge nodes, water pumps, and sensors according to provided guidelines. Enviro is not liable for hardware damage, water spills, property damage, or electrical issues caused by improper installation, extreme weather beyond device specifications, or third-party modifications.

4. User Responsibilities

By using Enviro, you agree to:

- Provide accurate information during account registration.
- Maintain the confidentiality of your account credentials.
- Use the Service strictly for lawful urban farming and monitoring purposes.

5. The Enviro Shop (E-commerce)

Purchases of hardware, seeds, fertilizers, or treatments made through the Enviro Shop are subject to availability. Prices and inventory are subject to change. Enviro reserves the right to cancel or refuse any order.

6. Intellectual Property

All software, AI models, UI/UX designs, and text within the Service are the intellectual property of Enviro. You may not reverse-engineer, decompile, or copy the source code, hardware schematics, or proprietary algorithms.

7. Termination

We reserve the right to suspend or terminate your access to the Service at our sole discretion, without notice, for conduct that we believe violates these Terms or is harmful to other users, our infrastructure, or our brand.

8. Governing Law

These Terms shall be governed by and construed in accordance with the laws of the Arab Republic of Egypt. Any disputes arising under these Terms will be subject to the exclusive jurisdiction of the courts in Alexandria, Egypt.
